Invitation

We are delighted to invite you to the upcoming FOR Summit Hong Kong, hosted by the Foundation for Oral Rehabilitation (FOR), taking place on 7 December 2025 in the vibrant city of Hong Kong. This premier event brings together leading experts in oral rehabilitation to explore cutting-edge advancements, share multidisciplinary insights, and foster global collaboration in dentistry and related fields.

Under the theme **“Bridging Borders: Innovations in Oral Health for a Connected World”** the summit will feature an exceptional lineup of speakers from Hong Kong, Mainland China, Taiwan and international communities. Highlights include:

- Keynote presentations on emerging technologies in implantology, prosthodontics, and regenerative therapies.
- Interactive workshops and panel discussions addressing clinical challenges, research breakthroughs, and patient-centered care.
- Networking opportunities to connect with pioneers from diverse regions, promoting knowledge exchange and partnerships.

Whether you are a clinician, researcher, educator, or industry leader, this summit offers a unique platform to engage with thought leaders and contribute to the evolution of oral rehabilitation. Join us in Hong Kong for an inspiring experience that aligns with FOR's commitment to excellence in education and innovation.

We look forward to welcoming you and advancing the future of oral health together.
